**Wallace State Department of Nursing Education**

Student retain for reference

# CASTLEBRANCH

## STEP 1: PLACE ORDER AT CASTLEBRANCH.COM

Enter **WP88**, your package cost is 106.78  
for Background Check and Document Tracker  
DO NOT USE THE APP - it does not work!!!

If you have a CB account from a previous WSCC admission, you will need to email [castlebranch@wallacestate.edu](mailto:castlebranch@wallacestate.edu) for specific instructions related to your circumstances.

**\*\*Do not use WP88 if you are a returning WSCC student\*\***

## STEP 2: COMPLETE REQUIREMENTS

Enter the required personal information.

Degree/Certification:   
Expected Date of Graduation:  /  or 08/2026 for Mobility  
Classification:  or 209 for Mobility

### CREATE YOUR ACCOUNT:

Use your Alabama.edu email and password

If you have no employment history - enter NA  
for Company Name and Date

### PAYMENT OPTIONS:

VISA, MASTERCARD, DISCOVER  
MONTHLY INSTALLMENTS (3)\*  
ELECTRONIC CHECK\*

\*ADDITIONAL FEES AND PROCESSING DELAYS  
MAY APPLY

## STEP 3: UPLOAD DOCUMENTS

Here are some tips from CB:

- Do NOT use the mobile app
- Try using a Windows-based computer/laptop
- Make sure you are using Google Chrome or Firefox
- Make sure you are using the most up-to-date version of the browsers
- Try using an incognito window
- Make sure you have cleared your cache and cookies
- Do not upload screenshots from your mobile device, images must be PDF
- Make sure your document is under 5,000kb (5MB).
- If your document is more than 5,000kb (5MB), shrink your document

## Health Division - Physical Examination Form Wallace State Community College – Hanceville, AL

This form is to be completed in its entirety by a physician, certified nurse practitioner or physician assistant. Physical exam results must be current within one year of any clinical experience.

**Student To Return Completed ORIGINAL Form To Program Designee.**

**Student Name** (Please Print) \_\_\_\_\_ **Date:** \_\_\_\_\_

**Student Program of Study:** \_\_\_\_\_ **WSSC Student No:** A \_\_\_\_\_

**Student Email Address:** \_\_\_\_\_ **Student Phone:** \_\_\_\_\_

1. For each of the requirements listed below, please indicate whether the student is able to perform the task by checking the appropriate box.

Essential Function		Yes	No	If no, please comment
Standing	Remaining on one's feet in an upright position without moving about.			
Walking	Moving about on foot for long periods of time.			
Stooping	Bending the body downward and forward by bending at spine and waist. This factor requires full use of lower extremities and back muscles.			
Reaching	Extending hands and arms in any direction.			
Kneeling	Bending legs at knee to come to a rest on knee or knees.			
Lifting	Raising objects from a lower to a higher position or moving objects horizontally from position to position. This factor requires the substantial use of the upper extremities and back muscles. Strength to lift 25 lbs. frequently and 50 lbs. or more occasionally.			
Carrying	Transporting an object usually holding it in the hands or arms or on the shoulder. Strength and balance required to carry 25 lbs. frequently.			
Dexterity	Picking, pinching, typing or otherwise working primarily with fingers rather than with the whole hand or arm, as in handling.			
Grasping	Applying pressure to an object with fingers and palm.			
Hearing	Perceiving the nature of sound with no less than a 40 db loss @ Hz, 1000 Hz and 2000 Hz with or without correction. Ability to receive detailed information through oral communication, and to make fine discriminations in sound.			
Repetitive Motions	Substantial movements (motions) of the wrists, hands, and/or fingers.			
Acuity	Corrected to 20/20 and visual field perception to provide a safe environment for patients and co-workers.			
Communication	Verbal/nonverbal and written communication skills adequate to exchange ideas, detailed information, and instructions to others accurately, loudly and quickly through speech and through the written word. Must be able to read and speak			

2. Based on findings in the examination, is the student able to participate in all activities required in the indicated health education program?

Yes  No

3. Please identify any restrictions limiting the student's participation in the indicated health education program.

4.  No Restrictions limiting the student's participation in the indicated health education program.

Yes there are Restrictions limiting the student's participation in the indicated health education program as listed below.
