* IMPORTANT NOTE - RE: COVID-19 *

The COVID-19 pandemic is constantly evolving and, as a result, our response continues to evolve because our paramount objective is to provide a safe learning environment for our students, employees, and members of the community. Because this is an uncertain time and the need for transition may occur, any updates to our schedule, method of class delivery, and interim policies will be communicated via the College's website, Blackboard, and email. Please make certain you check these areas on a regular basis to be informed of frequent updates. The College acts in accordance with directives from the State of Alabama and the Alabama Community College System, and follows the health and safety guidelines issued by the CDC and the Alabama Department of Public Health to ensure your safety.

Message from the President

Welcome to the Pride! Fall semester is the start of a new academic year and a chance to start your journey at Wallace State.

While online offerings have increased in the wake of COVID-19, at this time we are planning for many classes to be offered on campus this fall, with the addition of enhanced health and safety protocols, which include social distancing and the use of masks. However, we are prepared to quickly move traditional classes to a hybrid or online format as we did in spring semester should the need arise. Our goal, as always, is to provide you with the best resources, education and services wherever you are – on campus or online.

This fall you'll see Mini Term options for courses that can be completed in eight weeks as well as Flex Start courses that allow you to enroll with a flexible start date and complete your courses on your schedule throughout the semester. A list of new Flex Start courses is available on page 45 of this publication.

Innovation is a part of our culture at Wallace State, and this fall we will unveil a new Diesel by Distance program using virtual reality, as well as new options for apprenticeships and earn-and-learn programs, similar to our popular FAME program. Wallace State has also been recently selected to launch a bachelor's degree nursing program in partnership with UAB, which is a model for the state. Other recently launched programs at WSCC include Dance, Geospatial Information Systems (GIS), Building Construction, Cardiovascular Sonography, Global Studies, Medical Laboratory Assistant, and a Small Farmer Training program.

Be sure to meet with your advisor to discuss your Pathways map for program completion and STARS transfer guide. Please also take advantage of the resources for students including our Tutoring Lab, Job Placement Center, Success Coaches, and more. Many offices offer virtual services for students.

Wallace State has been named an Achieving the Dream Leader College, ranked among the Top 150 community colleges in the nation by the Aspen Institute for the third time, the first-choice community college by Alabama high school seniors taking the ACT, and among the top colleges for health care and workforce development. The college has once again been recognized as a Military Friendly institution, with resources dedicated to honoring and serving our veterans on campus, and is receiving widespread acclaim as rates of student success, retention and graduation climb to among the highest in the nation.

Please stay connected with us frequently and stay up-to-date with the latest news and events on our website at www.wallacestate.edu. We look forward to seeing you on campus and online this semester!

Vicki P. Karolewics
President

Wallace State Community College is an open admissions institution. All students who have earned a high school diploma or GED are eligible for admission. In addition to an application for admission, students are required to supply the College with an official copy of their high school transcript or official copy of their GED scores. Students transferring from another college must submit an admissions application and an official copy of their transcript(s) from each college they have attended; in addition to their high school transcripts or GED scores if they did not complete a baccalaureate degree. Transient students must submit a transient letter from their home institution stating the courses they will be allowed to take in addition to an application for admission, Proof of ID, and Residency Form.

Graduates from a non-accredited high school with a diploma demonstrating successful completion of a course of study on the secondary level based upon the Carnegie units required by the state education agency at the time of the award (currently 24) are eligible for admission. If the above requirements are not met, the student must take a GED test.

Special requirements may apply to International Students seeking admission. International students must submit official transcripts, an I-20 Form, TOEFL scores, declaration of responsibility statement, proof of insurance, and all appropriate admissions forms. Further information is available in the college catalog.

Accelerated high school students who have completed the

tenth grade, have the required GPA, and are recommended by the local principal may enroll at Wallace State only in postsecondary courses for which high school prerequisites have been completed. Exceptions may apply for students documented as “gifted and talented” according to the standards included in the State Plan for Exceptional Children and Youth.

Visit Lion Central in the Bailey Center, or call 256.352.8236 or email lioncentral@wallacestate.edu for information about general admission.

DUAL ENROLLMENT

256.352.8050

The Dual Enrollment/Dual Credit High School program allows eligible high school students to enroll in college classes concurrently with high school classes, either on the college campus or at the high school, and receive both high school and college credit. The student must be in grade 10, 11 or 12, have the required GPA; and obtain written approval of the Principal and Superintendent.

Contact the Dual Enrollment office at 256.352.8050, 256.352.8051, 256.352.7844 or 256.352.7807, or email Rachael Howze at rachael.howze@wallacestate.edu, for information about Dual Enrollment, Fast Track Academy, Fast Track for Industry, and the new Fine and Performing Arts Academy.

Visit www.wallacestate.edu/programs/dual-enrollment for more information.

Wallace State Community College App

- Search for **Wallace State Community College** on your Apple or Android device.
- **Download App** to access Blackboard, myWallaceState, WSCC Bookstore, a directory from which you can contact faculty/staff, campus map, calendar of events and more.

Getting Started at Wallace State

1. Apply for Admission, click on **myWallaceState**.
2. See Admissions Eligibility for Required Documentation.
3. Proof of identification: According to State Board Policy 801.01, for admission to an Alabama Community College System institution, all new students as of Spring 2009 semester must have on file in Admissions either; (1) one primary form of photo documentation, such as an unexpired Driver's License, or (2) two secondary forms of documentation, acceptable alternate photo ID.
4. Submit high school transcripts and transcripts from other colleges.
5. Apply for financial aid: Visit the Financial Aid section of the website for complete information.
6. All students must have appropriate placement scores in math and English. The ACCUPLACER assessment exam will determine placement in math and English classes. If you received a score of 17 or higher on ACT English and math, you are exempt from this test. You may also be exempt based on courses taken and grades earned in high school. See your advisor for information or the Advising Office located in the Bailey Center Lobby.
7. Attend Lion's Pride. This is designed to inform you about the policies, procedures and opportunities that await you as a Wallace State student.
8. First time students are encouraged to meet with an advisor for initial registration. To schedule non-traditional/distance education advising services for online students who are out-of-state or cannot access traditional advising services, please call the Advising Center at 256.352.8040.
9. Log onto your myWallaceState account. Visit www.wallacestate.edu, click on myWallaceState – then select the appropriate option.
10. Register for Classes: Take a look at the schedule for the semester you want to register. There you will find a listing of classes offered, registration schedule and other useful information. View your DegreeWorks education plan to determine classes that you have completed or need to take. You will register for classes on your myWallaceState account.
11. Pay tuition and fees either online from your myWallaceState account or at the Cashier's Office located in the James C. Bailey Center.
12. Get your Lion Card and parking decal at Lion Central located in the lobby of the Bailey Center. You will need your unexpired driver's license and vehicle tag number in order to receive a parking decal. You will need proof of identification to receive your Lion Card.
13. Purchase books. The Campus Bookstore is located next to the Student Center.
14. Go to classes! See important attendance requirements in the Financial Aid section of this schedule. See Building Codes and Campus Map at the back of the schedule.

Register Online

www.wallacestate.edu

1. Visit www.wallacestate.edu. Click on myWallaceState. Log-in using your A# (ex. A00099990). Your pin is your 6 digit date of birth (ex. January 1, 1999 = 010199). Your social security number will not work as your log in credential.
2. After logging in you may be prompted to change your pin.
3. Click on the Student Tab and then Registration
4. Click on Add/Drop Classes. You can enter the Course Reference Number (CRN) or Class Search.
5. After selecting your classes click submit.
6. To view/print your class schedule: Go to Student Tab; Registration; Student Schedule
7. Students should make a payment in full or they will be auto-enrolled in the Tuition Payment Plan

NOTE: The days of the week in the schedule are indicated as follows: M = Monday; T = Tuesday; W = Wednesday; R = Thursday; F = Friday; S = Saturday. For example, a class with days listed as TR are held on Tuesday and Thursday.

WHAT ARE MINI TERMS AND FLEX START COURSES?

Mini Term I: Aug. 17-Oct. 9; Mini Term II: Oct. 14-Dec. 16

Mini Terms are offered each semester to allow students 1) the opportunity to complete courses in less time than a regular full term, and 2) to start a class or add extra classes mid-semester. Students wishing to accelerate completion of their degree might choose, for example, to complete ENG 101 during Mini Term I and ENG 102 during Mini Term II, so that both classes are done in one semester. Fall and Spring Mini Terms are typically 8 weeks and 6 weeks in the Summer due to the shorter semester. Be sure to talk to your advisor if you have questions about scheduling.

NOTE: Students are encouraged to register for Mini Term II Classes during Registration June 16th to Aug. 21st. Students using financial aid may not be awarded additional funds if registration for Mini Term II is completed after Aug. 21st

"Flex Start" classes refer to online classes that begin after Drop/Add ends. They start after Mini Term I and full-semester courses and before Mini Term II classes. However, even though the start date is flexible, the assignments, tests, and other assessments are all due by the end of the regular semester. Therefore, these courses are for highly-motivated students who can complete assignments successfully with less time. See Fall 2020 Flex Start courses on page 45.

Withdrawal Policy

Withdrawal from a Course During Registration and Drop/Add Period

A student may drop a course on their myWallaceState account during registration until the drop/add period ends. The class and the charges will be removed from the student's records if dropped before classes begin.

Withdrawal from a Course After Registration and Drop/Add Period Ends

Once the drop/add period is over the student may withdraw from a course and will receive the grade of W in the course. The W will be posted on the official transcript and will not be used in computing the GPA. (The W will be used in calculating attempted hours for Satisfactory Academic Progress (SAP) to receive Financial Aid.) The last date to withdraw

from a course for the term is published in the current course schedule. Students can withdraw from a course via their myWallaceState account. Students who receive financial aid are advised to meet with the college financial aid department to determine impact on SAP.

Withdrawal from the College

A student may withdraw from the institution up to the deadline published in the course schedule. Withdrawing from all classes constitutes a withdrawal from the college. Once the drop/add period is over, the student may withdraw from a course or all courses and will receive the grade of W in each course in which they withdraw. The W will be posted on the official transcript and will not be used in computing the overall GPA. However,

the W will be used in the calculation for attempted hours on SAP. The last date to withdraw from a course (or all courses) is published in the current course schedule. Students can withdraw from the college via their myWallaceState account. Students who receive financial aid are advised to meet with the Financial Aid Department to determine if withdrawing from all classes will impact their Satisfactory Academic Progress (SAP).

If you experience issues withdrawing from a class due to holds on your account, please contact Jennifer Hill at jennifer.hill@wallacestate.edu

*All in-program nursing students should meet with nursing department prior to withdrawing from a class.

FREE Tutoring

Free Tutoring is offered to Wallace State students seeking assistance in subjects such as:

- Math
- English
- Biology
- Computer Science
- Business

256.352.7821

The Tutorial Lab is located on the 8th Floor of the James C. Bailey Center and is open 8 a.m. to 6 p.m. Monday through Thursday and 8 a.m. to 2 p.m. Friday. Please take advantage of the free service. Ask your instructor for tutoring information or contact the Tutorial Lab at 256.352.7821.

WSCC App

You can keep Blackboard, myWallaceState, and more at your fingertips with the Wallace State Community College App. The free app is available for Apple and Android phones. Use it to register, check your schedule and account balance, view the Wallace State calendar, important phone numbers, a campus map and more! Search for Wallace State Community College in your app store to download the app and put it to use for you!

Parking Permits

Parking Permits are available free of charge from Lion Central, the Wallace State One Stop Center for enrollment services, located on the first floor of the Bailey Center. All students are required to obtain a parking permit if driving on campus. Students are required to renew their parking permit each Fall semester.

Lion Card/Student ID

All students are required to have this form of identification while on campus or at clinical sites. IDs are available at Lion Central. Cards may be loaded with cash called LION LOOT. Use your LION LOOT at the WSCC Bookstore, Printing Labs, and the Library.

Students receiving financial aid should read the following information carefully:

Dropping a course prior to October 28, 2020 will result in a recalculation of a student's federal financial aid which includes Pell Grants, Direct Loans, and SEOG Funds. This recalculation could affect the amount of the financial aid award and may result in a balance owed to the college.

Dropping all classes prior to October 28, 2020 will result in a recalculation of federal financial aid which includes Pell Grants, Direct Loans, and SEOG Funds. This recalculation will be based on the number of days the student attended the class prior to dropping all classes. A student will likely owe a portion of financial aid back to Wallace state and/or the US Department of Education if all classes are dropped prior to October 28, 2020 or if the student quits attending classes prior to October 28, 2020.

APPLY EARLY – Students applying for financial aid should apply at least two (2) months before the next semester begins. Applying early will help ensure a timely response to federal guidelines and will allow for any unforeseen problems/situations that might occur. Applying early will also help the student avoid potential long lines or waits.

BOOKSTORE CHARGES

If Pell Awards exceed the amount of tuition and fees owed, students may charge books and supplies on their Pell accounts at the WSCC Bookstore. These accounts will be open for charges August 5, 2020.

DISTANCE EDUCATION students are responsible for logging in and meeting orientation requirements for all Blackboard, Internet, and video classes. Pell funds will not be distributed until attendance is verified.

BALANCE CHECKS

Per federal guidelines, attendance must be verified before balance checks can be mailed. Students who have not been electronically verified as attending their classes by their instructors will not be able to see their Financial Aid funds on their MyWallaceState account for that class that has not been confirmed as attending. As more classes are verified, more funds will be added to the student account balance that can be seen on MyWallaceState student account.

PLEASE NOTE: Students in ONLINE courses are responsible for logging in and meeting orientation requirements for all online and video classes. Pell and loan funds will not be mailed until attendance is verified. Pell Grant and Loan balance checks, with no holds, will begin mailing Friday, August 28, 2020. If you are registered in classes that begin later than August 24, 2020 your balance check will be mailed at a later date. You must attend classes prior to any funds being mailed for a particular class. Withdrawal from all classes after receiving balance checks will result in Pell overpayment and future Pell payments for WSCC or any other college will cease until the overpayment is repaid. Students who register after August 23, 2020 for courses in subsequent terms of the Fall semester may not be eligible to receive additional financial aid coverage if they have previously registered for the term. This includes Pell Grant and Direct Loans. Please check with the Financial Aid Office before adding these courses.

Attendance Verification:

Removal for classes with no AV can affect eligibility for Financial Aid and the award amount. Students utilizing federal financial aid who do not show attendance for one or more classes may have registration removed from the classes lacking attendance verification. Students will need instructor permission to re-enroll in classes that were removed for no attendance verification. Students can check their attendance verification on their MyWallaceState account under the Student tab.

INSTITUTIONAL SCHOLARSHIP recipients must complete a 2020-2021 FAFSA prior to enrollment being completed. Scholarships cannot be added to the student account until the FAFSA is received.

REMEMBER

Students must re-file for Pell Grants for every academic year (Fall – Summer). The Free Application for Federal Student Aid (FAFSA) is available online at www.fafsa.gov. Students applying for 2020-2021 (fall 2020, spring 2021, summer 2021) Pell Grants must complete the forms with 2018 tax data. It is the student's responsibility to provide any additional information requested by the Financial Aid Office. The Grant cannot be awarded until the student's file is complete

****Priority Deadline for fall 2020 Financial Aid is June 1, 2020.**

Completed Financial Aid paperwork must be submitted to the Financial Aid Office and Admission requirements (ID, residency, transcripts, etc.) by the deadline of June 1 in order for funds to be available for fall semester 2020. Visit <http://www.wallacestate.edu/finaid.html>. Students should review their MyWallaceState account for individual requirements.

LEARN & EARN

Wallace State offers a number of ways for students to earn a wage while learning about their field of study.

Through the Federation for Advanced Manufacturing (F.A.M.E.), the Mercedes-Benz Tech Co-Op Partnership, and the Kubota Co-Op Partnership, students in the Mechatronics/Industrial Maintenance, Advanced Automotive Technology, and Diesel Technology programs can earn wages through employment at partner facilities while attending classes at Wallace State.

NOTE: All enrollment fees and payments are processed immediately.

TUITION REFUND POLICY

Refund for partial withdrawal: Students who do not completely withdraw from the college but drop a class during the regular drop/add period will be refunded the difference in tuition paid and the tuition rate applicable to the reduced number of hours, including fees appropriate to the classes dropped. There will be no refund to a student who partially withdraws after the official drop/add period has ended.

Refund for a complete withdrawal: A student who officially or unofficially withdraws from all classes before the first day of class will be refunded the total tuition and other institutional charges. A student who officially or unofficially withdraws completely on or after the first day of class but prior to the end of the third week of class will be refunded according to the following prorated refund schedule:

Regular Term (August 17-December 16)

Through August 16	100%
August 17-August 23	75%
August 24-August 30	50%
August 21-September 6	25%
After September 6	no refund

Mini Term I - 8 weeks (August 17-October 9)

Through August 16	100%
August 17-August 20	75%
August 21-August 24	50%
August 25-August 28	25%
After August 28	no refund

Mini Term II - 8 weeks (October 14-December 16)

Through October 13	100%
October 14-October 17	75%
October 18-October 21	50%
October 22-October 25	25%
After October 25	no refund

Administrative Fee: An administrative fee not to exceed 5% of tuition and other institutional charges shall be assessed for each withdrawal within the period beginning the first day of class and ending at the end of the third week of class.

NOTE: Insurance fees are non-refundable.

Tuition refunds are computed according to the date the student notifies the college Admission's Office of their official withdrawal, not his/her last date of class attendance.

Wallace State does not give cash refunds: Under normal circumstances, refund checks are issued weekly and mailed to the student. If payment was made by check, the student must wait 15 days for the check to clear before a refund is issued. Refer to the current academic calendar for drop/add and withdrawal deadlines.

CHECK BALANCE: Students can view their balance via their myWallaceState account. To access your balance please follow these steps:

1. Log on to your myWallaceState account.
2. Click on the Student Account
3. Click on Account Detail for Term
4. Select Term and Submit

To pay your balance using a Debit or Credit Card, or check, you may select Payment Processing, under Student Account.

Tuition Payment Options

WSCC Students have two options for payment of tuition and fees. If a student does not pay 100 percent of their account balance by the earliest due date, they will automatically be enrolled in the WSCC Payment Plan, which will include a **\$25 enrollment fee**.

ACCREDITATION

Wallace State Community College is accredited by the Southern Association of Colleges and Schools Commission on Colleges to award associate degrees. Contact the Southern Association of Colleges and Schools Commission on Colleges at 1866 Southern Lane, Decatur, Georgia 30033-4097 or call 404.679.4500 for questions about the accreditation of Wallace State Community College.

ADA ACCOMMODATIONS

All students receiving services through the ADA Office need to make an appointment or stop by to discuss the classes and accommodations needed for Fall Semester. All students wanting to utilize their accommodation for priority registration must make the appointment and have documentation on file before Wednesday, June 10. The WSCC ADA Office publishes a handbook outlining the policies and procedures required for acquiring academic accommodations. It is the student's responsibility to make sure that each step is completed. For further information, contact Director of Special Populations, Lisa Smith on the 8th floor of the Bailey Building, 256.352.8052, or visit www.wallacestate.edu/mainmenu/current-students/ada/accommodations.html

NON-DISCRIMINATION POLICY

It is the policy of Wallace State Community College, a postsecondary institution under the control of the Alabama Community College System Board of Trustees, that no person shall, on the grounds of race, color, sex, religion, national origin, disability, age, or sexual orientation be excluded from participation in, be denied benefit of, or be subjected to discrimination under any program, activity or employment. The College will not retaliate against any person because they have engaged in a protected activity opposing the College or because they have made a complaint, testified, assisted, or participated in any manner in an investigation, proceeding or hearing alleging discrimination on a basis specified above.

See Important Note - RE: COVID-19 on Page 1.

Living on campus has many advantages. Wallace State's residence halls provide an environment conducive to academic achievement and are conveniently located within walking distance to classrooms, the library, and other campus facilities. Residents often find that living in a dorm is a great way to become involved in student activities and make new friends.

Wallace State offers both men's and women's dormitories. The rooms are large and designed for double-occupancy, but a limited number of single rooms are available. Most rooms have two double beds, two study areas with storage units, a large walk-in closet and a private bath. Multiple laundry facilities are located in each residence hall with coin-operated washers and dryers.

Telephone and cable outlets are provided in each room.

The residence halls also provide community kitchen facilities. In addition, residents are allowed to have refrigerators and microwave ovens in their rooms. The WSCC Café, located in the School of Nursing and Center for Science, is open Monday-Thursday, from 7:30 a.m. to 5 p.m., and provides meals offered through the meal plan. A variety of restaurants are located adjacent to campus.

Fall Semester Dorm Rates

- \$1,400 Double Occupancy
- \$11.48 Double Occupancy Prorated Rate
- \$2,800 Single Occupancy
- \$22.95 Single Occupancy Prorated Rate

Applicants admitted to the dorms after the second week of classes will be charged a prorated dorm rental rate based upon the number of days remaining in the semester.

Fall Schedule Meal Plan

FLEX START COURSES - Fall 2020

"Flex Start" classes refer to online classes that begin after Drop/Add ends. They start after Mini Term I and full-semester courses and before Mini Term II classes. However, even though the start date is flexible, the assignments, tests, and other assessments are all due by the end of the regular semester. Therefore, these courses are for highly motivated students who can complete assignments successfully with less time.
